Sir:

This is in response to the Office Action mailed September 24, 2002, and having a period for response set to expire on December 24, 2002.

Reconsideration and allowance of the claims is respectfully requested. The following remarks are respectfully submitted.

IN THE SPECIFICATION:

Please REPLACE the paragraph beginning at page 1, line 32, as follows:

During information exchange in, for example, a chat system, a user who is participating in the communication does not always have to proffer his/her opinion. However, the user is only allowed to participate in messages transmitted from other users when actively a part of the common communication field. An application interface for a chat system is provided in, for example, (Japanese Published Unexamined Patent Application No. HEI 10-154117). A communication field in which users proffer therein opinions, and a communication field in which users only refer to messages of other users, can be displayed for identification. Messages in the
